(Your help with Medicare prescription drug coverage.)

**Available to all people with Medicare.  
Coverage begins January 1st.**

If friends or family members have Medicare, do something really nice. Set aside some time during your holiday get-togethers and make sure they know about Medicare's new prescription drug coverage. And, if needed, help them review drug plan options and decide which one to join.

Medicare's new prescription drug coverage can help people save money and bring peace of mind now and in the future. *Everyone with Medicare is eligible, regardless of income and resources, health status or current prescription expenses.* Extra financial help is

available for those who need it the most. And answers to questions about area drug plans are readily available in your community, on the Web, over the phone, and in the *Medicare & You 2006* handbook.

The holidays are a great time to talk about Medicare prescription drug coverage with the people you care about the most. And since coverage begins January 1st for people who sign up by December 31st, the timing couldn't be better. Sign up continues through May 15, 2006.
